

## **RBI OMBUDSMAN SCHEME**

The **Ombudsman Scheme, 2021** was introduced by the **Reserve Bank of India (RBI)** to streamline the grievance redressal mechanism for customers of banks, NBFCs, and digital payment systems.

**Coverage of Regulated Entities:** The Scheme covers the following regulated entities:

- i. all Commercial Banks, Regional Rural Banks, Scheduled Primary (Urban) Cooperative Banks and Non-Scheduled Primary (Urban) Co-operative Banks with deposits size of Rupees 50 crore and above as on the date of the audited balance sheet of the previous financial year;
- ii. all Non-Banking Financial Companies (excluding Housing Finance Companies) which (a) are authorised to accept deposits; or (b) have customer interface, with an assets size of Rupees 100 crore and above as on the date of the audited balance sheet of the previous financial year;
- iii. all System Participants as defined under the Scheme.

**Below are the key salient features:**

### **1. One Nation, One Ombudsman**

- Instead of multiple schemes, there is now **one single platform** for customers to file complaints.

**2. Centralized Receipt & Processing Centre (CRPC)** for streamlined handling of complaints- The Centralized Receipt & Processing Centre (CRPC) has been set up by RBI for receipt and processing of the complaints

### **3. "Deficiency in Service" Approach**

- The scheme covers complaints related to **deficiency in service** instead of listing specific grounds for complaints.
- This broadens the scope and makes it easier for customers to lodge complaints.

### **4. Online Complaint Filing through CMS Portal**

- Customers can file complaints online through the **RBI's Complaint Management System (CMS)** portal: <https://cms.rbi.org.in>
- Complaints can also be submitted via email or physical letters. Below are the details
